COMPANY PROFILE

ABOUT US

Al-Qayyum Enterprises is a leading in Supply and Distribution of general goods and services in Pakistan with partners in the Service Organization, Construction companies, Automobile industry, Household appliance industry and the packaged food business.

We supply all kinds of products to our existing and potential customers on demand. We diversify our field according to industrial demand and services. Our focus is on delivering quality goods and products at competitively low prices with superior services. Our aim is to create a means through which people can buy or get supplies of all kinds of products they need from the comfort of their homes or offices by simply sending a quote to us through website, email or sms.

We understand that a lot of people, companies, organizations etc. are in need of many items which they really have to purchase but having the chance or knowing the right place to buy them have been a problem to them. This is where Al-Qayyum Enterprises comes in. Whatever items or products you may need as an individual or a company, all you need to do is to simply send us a message quoting the type of item you need, the quantity, the time it is needed and the delivery location, we will respond to you. Our core business area is signing and execution of general contracts for supply and distribution of finished goods, services, materials, equipment etc. to individuals, corporate organizations, government agencies, Hotels, hospitals, industries etc.
